Washington Terrace, UT 84405

Dear Todd,

On behalf of the students and faculty of T.H. Bell Junior High, I would like to thank you for taking time out of your busy schedule to visit our school and present information to our 8th grade students about your career as an entrepreneur and business owner. Several students mentioned they really enjoyed your presentation and are interested in careers in business and owning their own company. One student stated she "Never knew how hard it is to own your own business." Several other students also told me your presentation was the highlight of the career day for them. I also enjoyed the opportunity to see you interact with the students. You are a dynamic presenter and had the students engaged in your presentation the whole time.

Again, thank you for visiting our school and sharing your career information. Hopefully, you will be able to come back again next year to share your knowledge and experience.

Sincerely,

John Richards
School Counselor
T.H. Bell Junior High
